

## CAMP CASSADAGA.

A well attended and interesting conference was held on Monday afternoon at which several visitors made brief remarks.

Monday evening the usual euchre party was held in the pavilion.

Tuesday afternoon Mrs. D. A. Morrill delivered a very eloquent address to an appreciative audience.

Mrs. C. A. Pratt was the medium for the regular Wednesday afternoon seance, and gave a large number of satisfactory psychometric readings.

The minstrel show on Wednesday evening attracted a fine audience and added a goodly sum to our treasury. An entirely interesting program was presented, all the parts being taken by young ladies and gentlemen identified with the work and success of the camp. The stage presented a fine appearance when the curtain arose to disclose about 20 "colored" artists, each of whom performed his part in an artistic manner, the cake walk by two little brothers and the presentation of the bouquets by a very small miss, being especially worthy of mention. A touch of realism was added to the performance by the entrance at the

The many friends of Mr. Joseph Slater, one of the trustees of the Association, were pained to learn that he was quite severely injured in a railway accident near Columbus, Ohio, but are glad to hear that he is recovering from the effects of the same.

To enjoy good health keep the liver in good condition, otherwise the effete matter and bile will accumulate in the system and cause disease.

## St. Joseph's Liver Regulator

(Liquid and Powders)

is old-established, reliable, thoroughly endorsed, and is specially recommended for use in all disorders of the Liver, Stomach and Bowels.

It has become popular and indispensable in a great many homes as a valuable systemic Regulator and Invigorator.

It is pleasant to take, purely vegetable, and will benefit if taken as directed.

It relieves Biliousness, Headache, Dizziness, Loss of Appetite, Sallowiness and all disorders caused by Constipation and torpidity of the Liver and Kidneys.

It should be in every home and used by all travelers.

Its timely use will often save expensive and painful spells of sickness, and give joy and health instead of pain and despondency.

Price, Liquid per bottle, 50 cents. Powdered, per box, 25 cents. Druggists and general merchants sell it, or send to us. Sample of powders and booklet sent free on application. Address,

rear door of the hall of a buxom colored woman, who persisted in forcing her way through the audience and onto the stage to collect a dollar due her from one of the "end men" for washing. The whole affair reflected great credit on the manager-leader, Mr. Earle Slater, as well as upon all who assisted in making it such a great success.

Thursday afternoon Mr. J. Clegg Wright was the speaker, and as usual gave an address that held the closest attention of his hearers.

The regular Thursday evening dance took the form of an apron and necktie party and was attended by a large number who greatly enjoyed the novelty of searching for a partner wearing an apron to match their particular necktie.

Friday afternoon there was a conference in the auditorium and the regular reception by the ladies of the auxiliary, the Gipsy being present, as usual, to give readings to those desiring them.

Saturday afternoon Mrs. Oscar A. Edgerly gave an able address, subject, "In Essentials, Unity, in Non-Essentials, Liberty, in All Things, Charity."

Saturday evening Mrs. J. D. Arras very kindly gave a benefit euchre party in the pavilion which was greatly enjoyed by a large number. The thanks of the Association are due Mrs. Arras for her kindness and liberality. The prize, given were very nice and much appreciated by the lucky winners.

The services on Sunday were well attended. At 10:30 the writer officiated, the subject of the address being, "It is His Angel." At 2:30 Mrs. Morrill gave a very interesting and forcible address, her subject being, "Has the Religion of the World Retarded its Progress." At the close she gave a large number of accurate and recognized messages.

The powerful and instructive address given by Mr. Wright at the evening service was in line with his class work.

**A Novel Proposition**  
As a rule the printing business is dull from May to November. We want to make the year 1909 a banner year in the history of our business, and at the same time be able to give constant employment to our corps of faithful employees.

**Book Printing**  
We have turned out a number of bound books, and the work has been entirely satisfactory to our customers. We are prepared to bind in paper or cloth in our establishment; more expensive bindings we send to plants fully equipped to do the work. Therefore, we are prepared to figure on any binding, from the cheapest paper to the finest sheep, or alligator skin with the claws on if our customers want it. The printing we do at our own plant, having the finest type-making machine and as good presses as can be found in Florida.

**Write a Book**  
If you are an author, and have never printed your work, now is the time to contract for the work and get the best grade of printing at the lowest price possible to do good work. We can deliver the work sooner, but what we want now is to make arrangements to keep the full force at work during the entire "dull season." We are prepared to figure on any size contract, to furnish cuts, halftones, sketches, line etchings, etc.  
Drop us a line, or send in your copy for estimate.  
All work Guaranteed.
